BOOK SYNOPSIS

Strategies, practice, and review for all sections of the GED Tests from a top expert. The GED is a high school equivalency test that is recognized by educational institutions and employers throughout the United States and Canada. Every year, hundreds of thousands of individuals obtain GED diplomas or certificates as a first step toward academic or professional advancement. While other GED guides are designed for classroom use, Kaplans GED Test 2017 Strategies, Practice & Review is a self-study program for the GED. Kaplans GED Test 2017 Strategies, Practice & Review includes: * 1,000+ practice questions with detailed explanations * 2 full-length practice tests—1 in the book and 1 online * In-book diagnostic pretest to help you set up a personalized study plan for the book and online materials * 20+ online videos with expert instruction and explanations * Expert strategies for tackling the exam, both in the book and in online videos * Essential skills you'll need to pass the Reasoning through Language Arts, Mathematical Reasoning, Science, and Social Studies Tests * Effective strategies for writing extended responses and short answers that appear on three of the four tests * Clear instructions on using the Texas Instruments TI-30XS MultiView calculator. Get the same printed content, but with more expert online videos included in the online center of Kaplans GED Test Premier 2017 with 2 Practice Tests.
