BOOK SYNOPSIS

As the competition for Medical School places continues to increase, it is more important than ever to ensure that your application reflects what the admissions tutors will be looking for. This book will help school leavers, graduates and mature individuals applying to medical school, together with parents and teachers, to make their UCAS Personal Statement both compelling and convincing reading. In this book, Matt Green describes the context of the Medical School Personal Statement within the application process. He highlights the fact that selection for Medical School implies selection for the medical profession sets out the essential contents of the Medicine Personal Statement, the key steps in its preparation, what to include and what not to include. The book shows how to draft and refine a fictitious UCAS Personal Statement, making for a most valuable case study through which the consideration of all the important, key principles are brought to life. This edition includes 30 high quality Personal Statement examples to provide inspiration during the writing process. By using this engaging, easy to use and comprehensive book, you can remove so much of the uncertainty surrounding your Medical School application.
