BOOK SYNOPSIS

DREADFUL LIES. UNEXPECTED LOVE. IMPOSSIBLE TRUTH. It only took one heartbeat to change my life-one chilling phone call in the middle of the night. And then, as if my life didnt already suck, my dad sends my brother and me to some idyllic island for the summer to live with a grandma we never met. WTH. Naturally, I rebel. In the end, I find myself shipped off to Raven Hollow...and bored to tears. Until I get an eyeful of the mind-bendingly gorgeous Zane Hunter. The dark-hair cutie makes my pulse go bonkers, and I think, maybe this might not be so bad after all. Six feet of swoon inducing looks, with a hint of Celtic charm in his voice, he was the type of guy that left a string of broken hearts in his wake. And I had all the heartbreak I could handle. Yet, there is something uncanny, almost supernatural about Zane, and its not just his devastating smirk. No matter how much distance I put between us, Raven Hollow isnt big enough, and the sparking tension between is undeniable. Of course, the one person I want to avoid becomes my salvation. My past comes back to terrorize me. Someone wants me dead, and the closer I get to the truth, the more I realize my whole life is a lie. I am no longer sure what is more frightening-the attempts on my life or the guy whose heart and soul are synchronized with mine.
